As a school counselor, I led the tier II and III team that achieved the highest level of behavioral support, which was awarded by Tennessee Behavior Supports Project at Vanderbilt University.

RTI²-B Model of Demonstration School: Silver 2018

As a school counselor, I led the tier II and III team that achieved the second highest level of behavioral support, which was awarded by Tennessee Behavior Supports Project at Vanderbilt University.

PROFESSIONAL/CLINICAL EXPERIENCE

Middle Tennessee State University, Murfreesboro, TN Aug 2021 to Present
Full-Time Temporary Faculty Lecturer, Professional Counseling

- I teach 15 credit hours per semester including practicum, school counseling internship, addictions, lifespan, and group counseling.

Integrative Life Center, Nashville, TN Aug 2020 to Present
PRN Therapist

- I provide small group and individual counseling, conduct biopsychosocial assessments, develop treatment plans, and collaborate on a clinical treatment team.

Bedford County School District, TN Aug 2017 to May 2021
District-Wide RTI²-B Coach

- I coached three schools each year regarding implementation of RTI²-B (PBIS) and developed district-wide trainings regarding Tier I-III implementation.

Learning Way Elementary, Shelbyville, TN Aug 2016 to May 2021
Professional School Counselor

- I developed and implemented a comprehensive school counseling program involving classroom lessons, small group counseling, individual counseling, and indirect student support services.

RESEARCH EXPERIENCE

Middle Tennessee State University, Murfreesboro, TN 2013 to 2014
Independent Research Study, Dr. Mary Ellen Fromuth

- I designed a study, which involved reviewing literature and creating research materials and procedures. The survey was administered at a small rural middle school to volunteer students.
- Presented at Scholar's Week at MTSU

Middle Tennessee State University, Murfreesboro, TN 2013 to 2013
Research Assistant, Dr. Mary Ellen Fromuth

- I reviewed research literature, and I assisted three graduate students with their research studies. This involved helping administer surveys to participants and coding data for SAS software.

TEACHING EXPERIENCE

Middle Tennessee State University, Murfreesboro, TN Aug 2021 to Present

Full-Time Temporary Faculty Lecturer, Professional Counseling

- I taught Practicum, a graduate course averaging 12 students per semester, covering the following topics: intakes, treatment planning, case conceptualization, and facilitative skills
- I taught School Counseling Internship, a graduate course averaging 4 students per semester, covering the following topics: developing a comprehensive school counseling program, advocacy, professional identity, establishing systems of support
- I taught Group Counseling Lab, a graduate course averaging 18 students per semester, covering the following topics: facilitating a group counseling experience using theory-driven interventions
- I taught Treatment and Assessment of Addictions, a graduate course averaging 10 students per semester, covering the following topics: assessment, diagnosis, levels of care, and treatment planning
- I taught Development of the Lifespan, a graduate course averaging 24 students per semester, covering the following topics: developmental stage
