

Continuing Education Instructions

To receive your continuing education credits for the 2022 Counseling and Therapy Summit, please follow the instructions below:

1. Log in to TLPCA's website by clicking on Member Login in the top-right corner. Use the username and password created when you signed up for your membership. Your username will be the email used to join.
2. If you are not a member and have not yet created a guest membership, we will create a guest membership for you on the day that you attend, and you'll receive those details in the email that you used to register for the conference.
3. Once logged in, go to the "Members" menu item located on the right side menu item (first option). In the drop down menu, click on "Account." Once on that page, click on Subscriptions located on the top menu items.

*If you are changing your form of payment, you may experience an error. If so, please contact the TLPCA Webmaster.

4. Click on the session title to access the evaluation. If you do not see the session that you attended, please allow at least 48 hours after attending, then reach out to info@tlpca.net.
5. Complete the evaluation for that session in order to receive your CE certificate for attendance.
6. Download the PDF of the certificate - you will also be emailed a copy.
7. Store safely for your records.
