

The Clinician's Compass March 2026

NEWSLETTER VOLUME 4

Hey Friends!

Stacy and Kristin here from The Clinician's Compass and we have so much to share with you in this newsletter!

In case we haven't met, we are the owners of The Clinician's Compass, a company dedicated to helping clinicians grow in competence and confidence in their careers! We do this by creating continuing education courses, consultation groups, career coaching, and wellness retreats! Learn more about us and our mission by visiting our website! Drop us a line- we would love to connect with you! Click any logo to be taken to our site!

Compass Collective

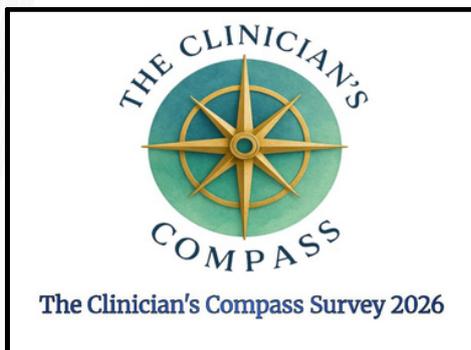

We are kicking off our twice monthly clinical consultation group, **Compass Collective** on April 1st. Click the logo in the picture for more information and to join us! Sign up soon because space is limited!

The Clinician's Compass Survey 2026

Take our survey to help us create the programming you want and receive a **\$25 coupon code** for any future training!

Click here!

Live Trainings

We'd love to invite you or your team to our upcoming workshop on April 24th in Franklin. Join us for the full day and receive lunch on us, or join us for one of the 3 hour sessions!

Click on the logo on the photo for more details!
